Amazing success with fashion show

Joana Danciu parties with Russia's superstars

Munich, 12 November 2009: „It was an amazing party. A great atmosphere and an extraordinary location – all in all an awesome experience!” that’s how Joana Danciu describes her extremely successful fashion show, which took place in Moscow last Saturday during the after show party of the MTV Music Awards. Until 6 o’clock in the morning the 1000 guests were celebrating the event in one of Moscow’s hottest locations, the SOHO ROOMS.

The hilarious audience was fired up even more by Russia’s superstar and EMA nominee Dima Bilan. Even though he didn’t win the desired award, he enjoyed himself and performed pretty well. However, his performance was exceeded by the **evening’s highlight**: an exclusive **fashion show of Joana Danciu!** The outfits, which the Munich designer picked out of her current collections, were presented, amongst others, by the acting **Miss Russia**, Sofia Rudieva. A huge success – the Russians loved Joana Danciu’s adorable dresses! Instantly she was introduced into the VIP league of the Russian society and from now on is considered as the new designer favorite of many Moscow fashionistas. “When do you plan your next fashion show in Moscow?” she was asked during the following press conference. Joana Danciu didn’t hesitate and promised: “I love Moscow – I’ll be back soon!”
